*An Invitation
is extended to all
Rotarians and Partners
for Monday, 9th November
to attend the Kokoda
Track Memorial Walkway
BBQ Area
Commencing 5:30 pm*

**Some really
important (and
some not so
important) stuff
in this edition**

**Lets start out with some
of the important stuff**

On Monday 9th November, we are holding an "End Polio Now" fundraising dinner at the Rotary BBQ area on the Kokoda Track Memorial Walkway, Killoola Street, Rhodes Park Concord West.

Catering has to be organised which means that notification of intent to attend the face-to-face function (will also be available through Zoom) needs to be made to Secretary Allan by no later than next Monday 2nd November.

As part of the Clem Renouf POLIO APPEAL our Club is holding this occasion to provide FELLOWSHIP for our members and friends whilst raising funds for the 2020-21 Appeal with an OLYMPIC GAMES theme.

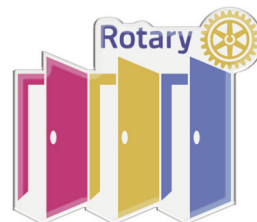

Rotarians \$50 including: meal, contribution, gift and raffle ticket.
Friends \$40 including: meal and raffle ticket.

A TWO COURSE MENU IS PLANNED
(BYO drinks or purchase from the café)

ADDITIONAL RAFFLE TICKETS CAN BE PURCHASED: 3 for \$10

Please inform Secretary Allan of your availability
by Monday, 2nd November at afp2settlers@bigpond.com

While we're talking about Polio.....

From the District Secretary...

"Yesterday 23rd October was D9675 Ride the Train for Polio. Mark Anderson, from RI Regional Office, Dave Anderson his son, and Jo Perrin from RC Camden, rode the trains from 4.33am at Cronulla to Tallawong at 22.04pm. Other Rotarians and the DG team joined at other stations. Many Rotarians met the train at the station with cheques large and small, but with great friendship and much camaraderie. Similar train rides, including Brisbane, Perth, and Christchurch were also held yesterday."

and then from the President Angela...

On Friday, 23rd October at 16:13 I met DG Warwick Richardson, former DG Sue Hayward (Sydney Darling Harbour), District Governor Elect Jeremy Wright (Sydney Cove) et al on the D9675 Ride the Train for Polio..

Secretary Allan Petersen waved us off from the Platform at Rhodes at 16:13 and I travelled with the Polio Fundraising Crew to Concord West, Strathfield North and Strathfield where another 7 or so Rotarians were waiting to handover another contribution and join them on the next leg to Central Station. Our club donated \$4,000 to EndPolio handing over the cheque somewhere between Rhodes and North Strathfield. The main riders had another 8 hours to go but were still spritely and energetic. They were very pleased with our donation as it was the largest single donation they had received so far.

Cheers, Angela.

Climate and Peace Forum

The forum is an initiative of the Rotary Club of Sydney Cove, supported by the Rotary Clubs of Sydney and Darling Harbour and supported by Clubs including Corrimal, Wollongong and Iron Cove. While initiated by Rotarians, this quarterly forum is open to everyone. Through engagement with concerned individuals it is hoped to promote climate action generally and to increase advocacy within the government and corporate community; to raise awareness with Rotarians and NGOs; to identify and promote activities and to establish partnerships.

In the spirit of RI's new Environmental Area of Focus, it is our effort to be relevant, contemporary and to attract new members across generations. Registration is via www.climateandpeace.com.au and members are asked to invite others to join in.

National Youth Science Forum

The next big activity will be the National Youth Science Forum. The students have been selected and the program will run in January albeit in a slightly modified form. The District Committee are after volunteers from the Clubs to help out with the Sydney hubs based programs which will entail looking after these students at these hubs, attending the session with the students, marking the rolls and assisting them when necessary.

District still waiting for a confirmation of the dates and times, but expect it will be around the 11th, 12th and 13th January.

If any members are interested in volunteering for this fantastic program, please let Peter Robinson know and he will pass that information on.

Apropos of not very much...

The above pictorial depiction of Michael Brown receiving first prize for a raffle which was run at the first face-to-face meeting on October 12th at the Kokoda Track museum, proves once again that your editor, while having a hand in producing a lucky offspring, when it comes to lotteries and raffles is not so lucky himself.

Were he on hand at the award ceremony (held a week later during a board meeting at the same venue) it is odds on that as Michael Brown is a renowned non-imbiber of wine which is NOT of the "white" variety, he would have scored the bottle of "red" cradled so lovingly in his son's arm.

However, we're dining at his place next week so all is certainly not lost!

Proving once again (if ever proof was needed) that Peter Reynolds is either being adversely affected by isolation caused by Covid19 or that he really doesn't have much to do with his time, he emailed asking if I would like to include a cryptic puzzle in the next issue. Feeling compelled to humour him I am hereby acceding to the request... so...

P1's Cryptic Puzzle

1. OK - getting started in reverse
2. President chops, by the sound of it
3. Famous evangelist wards off rain
4. John Deer's rival
5. Simon (so-called) - a hood's offspring
6. Great king's facial feature
7. Chaser goddess doubled
8. Archangel tanned
9. In agreement before cycle of arms & legs
10. Know what's okay
11. Exercise facility for scion of Bruce
12. Punch would rarely say this

Farmers Market report

With an increase in stallholders (for the most part up to date with their insurances, etc and generally happy with the way we are handling the market) combined with more interest shown from possible future stall-

holders, the future of our main source of income is looking positive.

We also have Natalie Bone, a student from Rosebank who is doing her Duke of Edinburgh, in attendance at our BBQ stall taking orders and money. She is enjoying the experience and hopefully she will become a semi regular and could help us get others interested.

With Peter Smith out of action and for the first time a lack of Interact or Rotaract help, combined with a number of rostered-on members either otherwise engaged or just not turning up I would like to thank those members who answered my SOS messages as well as Natalie's parents who were willing participants at the end of the day. We must be mindful that many of our members are not in a position to assist in the heavy work needed to make the markets viable so, while mindful that most members are involved whenever and wherever they can, younger, stronger and fitter members need to step up.

Helen McCaffrey - Market Manager

Some leave with their pockets a lot lighter!

Some just plain don't want to leave!

More news

A) We will be supplying helpers for the Mayoral Golf Day BBQ. Helen McCaffrey needs more volunteers and they are the expectation is of a very easy time of it with the requirement to produce only four cooked sausages every ten minutes due to the pandemic.

B) It has been indicated that the Concord Golf Club will, all things being equal, be willing by around mid November to welcome us for Rotary meetings, probably every second week, in the Concord Room. No pricing available yet. Watch this space.

C) The Rotary Club of Concord Annual General Meeting 30 November, possibly to be set at the Concord Function Centre from 6pm and followed (if and when booked) by a Christmas get-together of members and partners at that venue from 7.30pm. Secretary Allan Petersen is seeking nominations for the 2021-2022 Rotary Year so get your nominations in because there is sure to be a rush to fill the positions on the board.

A plea from the Secretary

Rotarian Colleagues,

I have perused the Item 3 “Council on Resolutions” of the most recent copy of the District Secretary’s email, which has been forwarded to all District Rotarians, and would be inclined to raise the following resolutions which could be more pertinent to our responses than some of the others

I can certainly vouch for this as I have also read the lot - ed.) at the ZOOM Meeting next Monday night, for consideration by club members for a response.

Herewith 6 of the 36 resolutions listed:

- **Resolution 20R-04** “Request the RI Board to consider a fifth part to the 4 Way Test”
- **Resolution 20R-06** “Request the RI Board to consider amending the Recommended Rotary Club Bylaws”
- **Resolution 20R-08** “Request the RI Board to consider officially recognizing clubs for children age 6 to 12”
- **Resolution 20R-09** “Request the RI Board to consider recognizing clubs for children under 12 and Allowing the districts to choose an appropriate name for the club”
- **Resolution 20R-25** “Request the Trustees to consider including measures for the prevention and elimination of plastic waste and residues”
- **Resolution 20R-26** “Request the Trustees to consider adding senior health to the fourth area of focus”.

Allan Petersen Concord Rotary Club Secretary 2020-2021

Personally, I was exhausted by the time I had gotten through the entire list and I very quickly realised why Allan decided to whittle our discussion list down to just 6. To my mind (and this is just a personal observation, so many of these suggestions seem to come from someone who doesn't have a lot to do with his time (and no, I'm positive Peter Reynolds had NOTHING TO DO WITH IT) such as “20R-19 Being more flexible on the definition of “political” and “20R-21 Supporting approval of the Treaty on the Non-Proliferation of Nuclear Weapons”.

Nor do I see the reasoning for wishing any 6-12 year old (who, for the most part, spend their days either at school, play or enjoying quality family time) to be involved in a mini Rotary Club.

Surely also, if we could concern ourselves about “recognising clubs for children aged 6-12 years” could we not concern ourselves with the scourge of domestic violence which is prevalent across so many countries and cultures.

However, I most certainly support the fifth resolution on Allan's list as I firmly believe that anything we can do to reduce the use of plastic and at the same time help clean up that which is already littering the planet can only be a positive.

However, it is what it is and District requires a response from us as to our preferences regarding the proposed amendments by November 6th. So.... read, discuss and come to a considered conclusion and voice it on Monday night.

Religious story of the week

Going to Church In Chicago

When I heard Al Sharpton and Jesse Jackson were guest preachers at a nearby church, I decided to go there and check them out in person.

As soon as I sat down, Reverend Sharpton came over to me. I don't know why, maybe it was because I was the only person in the church who was not a regular member of the congregation?

He laid his hands on my shoulder and said: "By the will of Jesus the Lord Almighty, and the will of God, you will walk today."

I told him I was not paralyzed.

Then Jesse Jackson came by and said: "By the Grace of God, and his Son Jesus, the Lord Almighty, you will walk today."

Again, I said that there is nothing wrong with me.

After the sermon I stepped outside and lo and behold they were right.... My car was gone!

Just for dog lovers

ROTARY'S CODE OF CONDUCT

As a Rotarian, I will:

- 1) Exemplify the core value of integrity in all behaviours and activities.
- 2) Use my vocational experiences and talents to serve in Rotary.
- 3) Conduct all of my personal, business and professional affairs ethically, encouraging and fostering high ethical standards as an example to others.
- 4) Be fair in all dealings with others and treat them with the respect due to them as fellow human beings.
- 5) Promote recognition and respect for all occupations which are useful to society.
- 6) Offer my vocational talents: to provide opportunities for young people, to work for the relief of the special needs of others and to improve the quality of life in my community.
- 7) Honour the trust that Rotary and fellow Rotarians provide and not do anything that will bring disfavour or reflect adversely on Rotary or fellow Rotarians.
- 8) Not seek from a fellow Rotarian a privilege or advantage not normally accorded others in a business or professional relationship.

**Good
decisions
don't just
happen.**

**Ask
yourself
these 4
questions:**

1. Is it the TRUTH
2. Is it FAIR to All Concerned?
3. Will it build GOODWILL and Better Friendships?
4. Will it be BENEFICIAL to All Concerned?
